

School Catering Update Autumn 2026 Menu

Special Diets or Allergies?

No problem...simply contact your school office who will advise you on our broad range of menu options that cater for all the below.

**Allergy key : GF - Gluten Free, DF - Dairy Free, NF - Nut Free, VG- Suitable for Vegan,
V - Vegetarian, H - Halal, P - Pescatarian**

Autumn Menu Update

As the days start getting shorter and the weather colder it is time to swap our summer menu and light dishes to warm and hearty offerings.

Our kitchen team have collaborated to produce this menu, taking into consideration feedback from our summer survey. We have changed up our menu with our aim to suit as many different appetites and dietary requirements as possible.

All of our dishes are now labelled with an allergy for easy reference.

“Super Sauce” This is now one of our key ingredients that will be used in many different dishes and is our base sauce for pizzas and many other dishes. Our new Super Sauce incorporates over 5 different vegetables to help get as much fresh vitamins into a child's diet as possible.

Halal Meat Supplier – Glenfield Foods

Glenfield's Foods supply all of our fresh meat products and are registered with HMC. Their certificate can be found on their website here: <https://halalhmc.org/wp-content/uploads/certified-outlets/meats.pdf> on page 6
