Homework

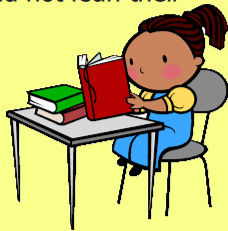

Given out on a **Friday** and it is due in on a **Wednesday**.

All homework given is to consolidate the children's learning. Children should be writing with a pencil and please encourage your child to keep their presentation neat and not rush their work.

Each piece of homework should take your child around half an hour to an hour.

You can help by taking them to a local library or helping them research on the internet..

Expectations

Each child should have a book bag, as your child will be given books to take home and read with you.

Children will be required to come into school **every Monday** already in their P.E kit.

Please make sure that all clothing is labelled clearly with your child's name and class.

Each child has a locker to store bags and coats. Please do not send large bags into school as they will not fit in the lockers.

Uniform

Please make sure that your child is dressed in correct school uniform. Children should have sensible shoes that they can walk and run in without any discomfort. Platforms, high heeled shoes and trainers are not permitted. During the winter months children will need a warm coat, hat and gloves.

Available at

Bushra Fashions.

Beech Hill PE kit and jewellery

No jewellery is to be worn at school. If your child has pierced ears, small studs can be worn. Hooped earrings are not acceptable as the earlobe can easily be ripped during a fall. Earrings must not be worn on days that your child has PE. Any watches or other jewellery must be removed. The school will not accept responsibility for loss of any jewellery worn to school.

Attendance

It is your legal responsibility to ensure your child attends school.

It encourages independent critical thinking and self-expression. These skills translate to every area of life, whether it is in academia, the workplace, or relationships.

School widens a child's horizons and influences their aspirations. Schools are more than just classrooms, they are communities.

The benefits of school are many. It offers positive adult role models and gives children a strong foundation for their interactions in society. School helps young people build confidence, which is crucial to healthy self-esteem.

Attendance

Why is it important?

ABSENCE FROM SCHOOL

Children are required to be in school 190 days per year. The Government states that every pupil's attendance should be at least 95%.

13th June 2016

Dear Parents/Carers

Day of Inspiration Project

A number of Y5 boys and girls have been invited to attend a day at Luton Town Football Club on Tuesday 13th June 2016. The visit is planned throughout the school day.

The day will consist of an assembly run by a pair of practitioners; a rap artist who uses spoken word poetry to engage youngsters and a football journalist. Afterwards, a tour of the stadium is planned. The day is designed to engage children in reading and poetry. Please note that the event may be filmed for Unleashing Potential's promotional purposes.

We will be walking to and from the football club. If your child has a packed lunch please can you provide them with one as usual. If your child has school dinners then a packed lunch, from the school, will be provided.

Please complete and return the slip below. If the form is not signed and returned your child will be unable to attend. We are certain the children will enjoy this visit. If you have any questions about our trip please speak to me.

Kind regards
Mr J Gutter
